**FIRST PH SHIPBUILDING, SHIPREPAIR SEMINAR CUM WORKSHOP
SUCCESSFUL**

FIRST PH SHIPBUILDING, REPAIR SEMINAR CUM WORKSHOP. Maritime Industry Authority (MARINA) shipyards regulations service (SRS) chief Engr. Ramon C. Hernandez (2nd from left, in the microphone) underscores the tasks of owners, operators of shipyards and client shipowners in the building and repair of domestic passenger and cargo vessels, as well as duly-assigned MARINA inspectors, in order to achieve quality work results, during the first national shipbuilding and ship repair (SBSR) cum workshop road mapping held last Feb. 5 to 7, 2015 at Sarrosa

International Hotel and Residential Suites in Cebu City. At Hernandez' left is host MARINA Region 7 Director Nanette V. Dinopol. Also shown in the photo from left are Meneleo Carlos III of PICMW, George Cottrell of Colorado Shipyard, Ric Tuliao, Rey Lignes of BOI and other industry stakeholders. After the first National Chamber of Shipyards was organized during the winding lap of the workshop, participants were toured to the 'state-of-the-art' Tsuneishi Heavy Industries, Inc. (Cebu) Shipyard in the fast developing maritime town of Balamban.

MARINA, MARITIME PHILIPPINES, we move the world

The Maritime Industry Authority is an attached agency of the Department of Transportation and Communications tasked to accelerate the integrated development of the maritime industry in the country. It has been implementing reforms and programs to transform the country's domestic shipping industry to global competitiveness and the MARINA into a premiere maritime administration in Southeast Asia.
