

**MARITIME INDUSTRY AUTHORITY
PRIMARY BIDS AND AWARDS COMMITTEE**

**IN RE: INVITATION TO APPLY FOR ELIGIBILITY
AND TO BID FOR THE PROCUREMENT OF JANITORIAL
SERVICES 2017 FOR THE MARITIME INDUSTRY AUTHORITY**

X-----X

RESOLUTION

(On the Motion for Reconsideration filed by **Power Clean Building Care and General Services**)

Facts of the Case:

This Resolution pertains to the MOTION FOR RECONSIDERATION OF POWER CLEAN BUILDING CARE AND GENERAL SERVICES assailing the findings of the Bids and Awards Committee (BAC) that the company is not eligible in that bidding for failing to submit authenticated copy of the Eligibility Documents during the bid opening.

On 17 April at 10:00 A.M. following the published schedule for the opening of bids, the BAC upon examination of the contents of the first envelop tendered by Power Clean Building Care and General Services, one of the three bidders, found that the herein bidder only submitted Eligibility Documents not certified by the company nor by the issuing agency. However, Power Clean Building Care and General Services, through its authorized representative presented the original copy of the subject documents during the bid opening period. It was not accepted since the requirement under the Bidding Documents is submission of original or certified true copy of the eligibility documents by the issuing agency. Hence the Committee declared LBP Service Corporation as non-eligible to submit a bid proposal. Forthwith, Power Clean Building Care and General Services filed this Motion for Reconsideration.

Issue :

The central issue to be resolved now is whether or not Power Clean Building Care and General Services can be considered eligible?

Ruling:

AFFIRMATIVE.

The issue will be resolved based on the provisions of Rule VIII Sections 24.1, 25.3 (c) and 29 of the 2016 Revised IRR of RA 9184, to wit:
