06 October 2003

FLAG STATE ADMINISTRATION ADVISORY NO. 47

Series of 2003

TO : ALL CONCERNED DOMESTIC SHIPPING COMPANIES / OPERATORS, AND OTHERS CONCERNED

SUBJECT : EXTENSION OF MORATORIUM ON COMPLIANCE WITH CERTAIN LIFE-SAVING APPLIANCES UNDER THE PMMRR

Notice is hereby given to all concerned, that upon the request of concerned shipping / fishing associations / operators and to give time to the Administration to finalize and officially adopt the policy on the revised rules and regulations under Chapter IX of the 1997 PMMRR, the two (2) month moratorium granted under Flag State Administration Advisory No. 45 is hereby extended for another one (1) month. Accordingly, the existing flotation device / buoyant apparatus or equivalent survival craft currently being used on board affected ships shall continue to be accepted for purposes of Certificate of Inspection (CI) issuance.
