NOTICE: PROCUREMENT OF 2021 SECURITY SERVICES

All interested bidders are informed that the bidding for this project continues to be postponed following the Pre-Bid Conference held last 14 May 2021. Said pre-bid conference was initially postponed following the electrical problems in the MARINA building and the request for review of the previously approved Terms of Reference by the newly-appointed Technical Working Group. In addition, the BAC and concerned TWG are also awaiting the appointment of new members.

Further updates will be provided once all details are available. All parties are reminded to check the website regularly for updates/bid bulletins.
