MARINA REGIONAL OFFICE XI BREAKS GROUND FOR NEW REGIONAL OFFICE BUILDING

In a significant milestone, the MARINA Regional Office XI (MRO11) has received approval to commence construction of its new regional office building. Regional Director Felisa N. Orongan led the groundbreaking and time capsule laying ceremony for the proposed four-story building at the Davao Regional Government Center in Bago Oshiro, Tugbok District, Davao City on 15 August 2023.

Encompassing an area of 5,002 square meters, the new regional office is poised to become a vital addition to the region's infrastructure, with completion scheduled for 2025. The event commenced with a prayer led by Pastor Jonah O. Badilles, who also blessed the construction site.

MARINA Deputy Administrator for Operations and former MRO11 Regional Director, Engr. Nannette Z. Villamor-Dinopol, expressed gratitude to all parties involved in making the project a reality.

Regional Director Orongan recounted the organization's growth and the significance of this achievement. "Having been one of the pioneer employees of MRO11 since its establishment in 1988, I am personally thrilled about this project. There are four of us who are still here, and it's an honor for us to witness this event as we continue to serve through this beloved agency," she shared.

After a 35-year wait, the new MRO11 office marks a monumental step forward. It will stand as one of the first government agencies to open its doors at the Davao Regional Government Center, symbolizing progress and development for the region.

The event was attended by distinguished guests, including Hon. Leo Tereso A. Magno, Secretary of the Office of the Presidential Assistant for Eastern Mindanao; Hon. Carlo Lisandro L. Gonzalez, Representative of the Marino Partylist; and Maximo P. Macalipes, Jr, Head of the City Economic Enterprises, representing Davao City Mayor. Representatives from various government agencies, including PCG, PPA, DPWH, PCA, PNP, and the LGU of Bago Oshiro, were also present at the event.

officers-in-charge, and planners from all regions of MARINA.

During his remarks, MARINA Administrator Atty. Hernani Fabia reaffirmed the agency's commitment to aligning its plans with the MIDP, emphasizing the importance of contributing effectively to the development and growth of the maritime industry.

For his part, PPS Director Luisito Delos Santos highlighted the pivotal role of the MARINA Voyage Plan in ensuring that the programs, plans, and projects of MARINA are in sync with the MIDP 2028. He emphasized the significance of aligning strategies and efforts to effectively contribute to the growth and sustainable development of the maritime industry. Deputy Administrator for Planning (DAP) Sonia B. Malaluan led the workshop, focusing on examining the strategic deliverables and contributions of the MVP from 2024 to 2028, ensuring seamless alignment with the updated MIDP 2028.

The workshop's primary objective was to update the MARINA Voyage Plan's 5-year Strategic Deliverables, Strategic Contributions, and Program Scorecards. This comprehensive approach ensures that MARINA's initiatives and projects are geared towards fulfilling the MIDP's vision and objectives.

The MIDP 2028 encompasses eight core programs designed to propel the industry forward sustainably and innovatively.

Convention.

As a responsible member of the International Maritime Organization (IMO), the Philippines maritime industry aims to ratify the Bunkering Convention, HNS Convention, among others.

As for its strategic deliverables, the Authority seeks to digitalize its systems and infrastructures, as well as to achieve a Silver/Gold Award from the Civil Service Commission Prime-HRM, and Silver/Gold Trailblazer Award for its Performance Governance System (PGS).

The conference, aligned with MARINA's Voyage Plan and the long-term Maritime Industry Development Plan (MIDP) 2028, saw the participation of the agency's management, service unit, regional directors, planners, and budget officers.

In a delivered message, Administrator Atty. Hernani N. Fabia emphasized the pivotal role of the mid-year conference in shaping MARINA's strategic direction. He highlighted the conference's significance in providing a roadmap for the agency's programs, positioning MARINA to effectively guide the maritime industry toward enhanced strength and resiliency.

During the conference's opening remarks, Luisito U. Delos Santos, Director of the Planning and Policy Service, underscored the significance of the conference's outcomes. These outcomes are expected to serve as a guiding framework for every facet of MARINA, encouraging a harmonized approach to advancing the maritime sector.

During the conference, Deputy Administrator for Planning Sonia B. Malaluan reiterated the agency's steadfast commitment to excellence. She echoed the collaborative spirit that was palpable throughout the event, expressing her belief that the shared vision forged during the conference will be the cornerstone of MARINA's future achievements.

To seal the deal, service unit directors have signed certificates of commitment as a tangible representation of their pledge to meet the established targets over the next five years.

MARINA AND PCG ENHANCE MARITIME COMMUNICATION SKILLS IN IORIS REFRESHER COURSE TO ADVANCE INDUSTRY SAFETY

The MARINA, through its Enforcement Service (ES), and the representatives of the Philippine Coast Guard (PCG) participate in the IORIS Refresher Course sponsored by the EU-CRIMARIO which commenced yesterday, 28 August 2023 to 01 September 2023 at the MARINA Central Office, Manila.

The said training focuses on the procedures in the interchange of communications, as well as the importance of utilizing the IORIS Platform — a fully funded project of the European Commission (EC), in the maritime industry. The Refresher Course will be capped by the signing of the agreements between the MARINA, the National Coast Watch Center and the EU-CRIMARIO.

Meanwhile, an IORIS Trainers Training will be held on 11-15 September 2023, while the IORIS Foundation Course will be on 18-23 September 2023. These series of capacity building of MARINA personnel and the use of IORIS Platform are in line with the updated Maritime Industry Development Plan (MIDP) 2028 which leans toward innovation, digitalization and enhancement of maritime safety and security.

MARINA, WWF-PHILIPPINES LAUNCH JOINT INITIATIVE TO COMBAT MARINE PLASTIC LITTER

The MARINA and World Wide Fund for Nature (WWF) - Philippines officially launched the four - minute video on marine plastic litter onboard two ships in Port of Batangas on 01 August 2023.

The MARINA through the Shipyards Regulation Service (SRS), the newly-created Marine Environment Protection Development Service (MEPDS) and MARINA Regional Office IV turned over the four-minute video on marine plastic litter to Montenegro Shipping Lines, Inc. (MSLI) and Archipelago Philippine Ferries Corp. (APFC).

In his welcome message during the launching onboard a ship owned by the Montenegro, MRO IV Director Engr. Rizal Victoria said that the fourminute video on marine plastic litter tackles the necessity for every passenger and ship crew to take all responsibility for proper waste disposal.

Meanwhile, MARINA Deputy Administrator for Planning Sonia Malaluan described the event as a milestone of the partnership between MARINA and WWF-Philippines which was formalized through a signed Memorandum of Understanding (MOU). The said event is in accordance to MARINA Advisory No. 2023 - 11 or the "Guidelines on the Implementation for the Airing of the Four (4) -Minute Video on Marine Plastic Litter for Passenger Vessels" which aims to prevent and combat plastic pollution in all passenger vessels and ports. The Deputy Administrator for Planning also reiterated the need to raise the awareness of passengers in order to prevent marine plastic litter.

WWF - Philippines Program Manager Czarina Panopio expressed her excitement to continue their partnership with MARINA. She looks forward to the upcoming 3rd Marine Environment Protection Forum which will be held during the BEACON 2023 at SMX Convention Center in Pasay City on 06 - 08 September 2023 and other activities in order to promote proper waste segregation and proper waste disposal to the passengers and shipping crew.

Montenegro Operations Manager Dennis Berania said that they are very honored to be chosen as one of the venues of the launching of four - minute video on marine plastic litter. He also said that their company has an advocacy of saving the marine environment.

The same program was also conducted onboard a ship owned by the Archipelago where APFC Chairperson Mary Ann Pastrana assured their commitment and support to the maritime industry in the country, particularly marine environment protection.

Meanwhile, the Fire Preventive Measures Onboard Passenger Ships posters which will be posted to conspicuous places all throughout the ship were also launched during the said event in accordance to MA No. 2022 - 48.
