No party other than the MARINA shall have a right or claim over the budget specifically appropriated for the project.

3. Corrupt, Fraudulent, and Coercive Practices

- 3.1. The MARINA as well as the bidders, contractors, manufacturers, suppliers or distributors shall observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the MARINA:
 - (a) defines, for purposes of this provision, the terms set forth below as follows:
 - (a.1) "corrupt practice" means behavior on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves, others, or induce others to do so, by misusing the position in which they are placed, and includes the offering, giving, receiving, or soliciting of anything of value to influence the action of any such official in the

procurement process or in contract execution; entering, on behalf of the Government, into any contract or transaction manifestly and grossly disadvantageous to the same, whether or not the public officer profited or will profit thereby, and similar acts as provided in Republic Act 3019.

(a.2) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the MARINA, and includes collusive practices among Bidders (prior to or after Bid submission) designed to establish Bid prices at artificial, non-competitive levels and to deprive the MARINA of the benefits of free and open competition.

(a.3) "collusive practices" means a scheme or arrangement between two or more Bidders, with or without the knowledge of the MARINA, designed to establish Bid prices at artificial, non-competitive levels.

(a.4) "coercive practices" means harming or threatening to harm, directly or indirectly, persons, or their property to influence their participation in a procurement process, or affect the execution of a contract;

(b) will reject a proposal for award if it determines that the Bidder recommended for award has engaged in any of the practices mentioned in this Clause for purposes of competing for the contract.

3.2. Further, the MARINA will seek to impose the maximum civil, administrative and/or criminal penalties available under applicable laws on individuals and organizations deemed to be involved in any of the practices mentioned in **ITB** Clause 33.1.

- 14.5. The Supplier agrees that neither the execution of a test and/or inspection of the GOODS or any part thereof, nor the attendance by the PROCURING ENTITY or its representative, shall release the Supplier from any warranties or other obligations under this Contract.

15. Warranty

- 15.1. The Supplier warrants that the GOODS supplied under the Contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials except when the design and/or material required by the PROCURING ENTITY provides otherwise.
- 15.2. The Supplier further warrants that all GOODS supplied under this Contract shall have no defect, arising from design, materials, or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied GOODS in the conditions prevailing in the country of final destination.
- 15.3. As soon as practicable after receipt of the Supplier's notice, and upon causes provided for under **GCC** Clause 20, the PROCURING ENTITY shall evaluate the situation and may extend the Supplier's time for performance, in which case the extension shall be ratified by the parties by amendment of Contract.
- 16.3. Except as provided under **GCC** Clause 20, a delay by the Supplier in the performance of its obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to **GCC** Clause 17, unless an extension of time is agreed upon pursuant to **GCC** Clause 27 without the application of liquidated damages.

17. Liquidated Damages

Subject to **GCC** Clauses 16.16 and 20, if the Supplier fails to deliver any or all of the GOODS and/or to perform the Services within the period(s) specified in this Contract, the PROCURING ENTITY shall, without prejudice to its other remedies under this Contract and under the applicable law, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the **SCC** of the delivered price of the delayed GOODS or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in the **SCC**.
