**MARINA VISIT AT TSUNEISHI - CEBU**

Officials of Maritime Industry Authority (MARINA) led by Shipyards Regulation Service (SRS) Director, Engr. Ramon C. Hernandez (6<sup>th</sup> from left), representing Administrator Maximo Q. Mejia, Jr. (PhD) are given rousing welcome by top brass of Tsuneishi Heavy Industries (Cebu), Inc. (THIC) led by THIC President Akihiko Mishima (5<sup>th</sup> from left) at THIC's 147-hectare state of the art shipyard in fast-developing coastal town of Balamban, Cebu on Feb. 7, 2015 - a tour-part of the three-day MARINA-hosted a national domestic Shipbuilding and Ship Repair (SBSR) Roadmapping seminar cum workshop held at Sarrosa International Hotel and Residential Suites in Cebu City. The

MARINA contingent, which included regional directors and senior officers from the central office, together with representatives from IFC (World Bank), JICA, DTI and domestic shipyards had an actual, close look at the world class ship building and repair, various docks, and other amazing work sections of the giant shipyard that has 13,000 Filipino workers in its employ. It is currently among the leading names in ship building in the world.

---

### **MARINA, MARITIME PHILIPPINES, we move the world**

The Maritime Industry Authority is an attached agency of the Department of Transportation and Communications tasked to accelerate the integrated development of the maritime industry in the country. It has been implementing reforms and programs to transform the country's domestic shipping industry to global competitiveness and the MARINA into a premiere maritime administration in Southeast Asia.
