The actions taken worldwide and within Philippines, as a result of the COVID-19 pandemic, has severely affected the conduct of trainings, revalidation of certificates, and the ship to shore interactions including the crew changes. In response thereto, the Maritime Industry Authority (MARINA) adopts IMO Circular Letter No. 4204/Add.5/Rev.1 dated 02 April 2020 which encourages the issuing Administration and the Port State Control authorities to take a pragmatic and practical approach with regard to the extension of the validity of seafarer's certificates and endorsement, as strictly necessary, in accordance with the STCW Convention, 1978, as amended.

THEREFORE, notice is hereby given that all STCW certificates issued by the MARINA which are expiring **between 13 March 2020 to 31 December 2020 (dates inclusive)** shall be extended for a period of **one (1) year** from the date of expiry of the certificate without need to file for an application at the MARINA. **This applies to all STCW certificates of all Filipino seafarers who are both ONBOARD or ASHORE at the time of the expiry of their certificates;**

- The concerned licensed manning agencies and shipping companies are required to ensure that their crew are compliant with the above-mentioned STCW requirements, and are hereby directed to submit to MARINA the list of their crewmember/s whose validity of STCW certificate/s have been extended pursuant to this Advisory. An
