MARINA ADVISORY

No. 2020-80

Series of 2020

TO : All Shipping Companies, Shipowners/bareboat Charterers/Ship Operators/Ship Managers/ Ship Masters of Philippine-Registered Overseas Ships, Licensed Manning Agencies, Filipino Seafarers Onboard, and Other Concerned Entities

SUBJECT : CHINESE EMBASSY NOTE VERBALE NO. (20)- PG-256
DATED 02 OCTOBER 2020

Anent to MARINA Advisory No. 2020-74 dated 22 September 2020 and pursuant to Chinese Embassy Note Verbale No. (20) – PG-256 dated 02 October 2020, the Chinese Government is imposing the following additional health measures for seafarers:

1. All China-bound seafarers coming from any foreign port, regardless of nationality, are required to provide a negative COVID-19 nucleic acid test result through their ship/vessel, shipping company or ship agencies within three (3) days prior to boarding their flight. This includes transiting seafarers as well as those involved in crew changes in another port undertaken fourteen (14) days before arrival in China.
2. All seafarers are required to provide test results only from designated institutions recognized by overseas Chinese embassies or consulates. In relation, attached as Annex A is the list of authorized COVID-19 testing labs designated by the Embassy.
3. A vessel could be banned from departure or operations if it is found to violate the above requirements and other Chinese relevant laws and regulations.

This Advisory can be viewed and downloaded at the MARINA website at www.marina.gov.ph.

For information of all concerned.

Note No. (2020)PG- 260

The Embassy of the People's Republic of China in the Republic of the Philippines presents its compliments to the Department of Foreign Affairs of the Republic of the Philippines and, with reference to the Embassy's Note No. (2020) PG-224 dated 15 August 2020, Note No. (2020) PG-238 dated 8 September 2020 and Note No. (2020) PG-256 dated 2 October 2020, has the honor to inform the latter as follows:

For the purpose of protecting the health of the crew members of vessels engaged in international voyages and preventing the cross-border spread of COVID-19 through those crew members, it is requested that all China-inbound Filipino Seafarers from the Philippine ports shall take nucleic acid tests for COVID-19 in institutions designated by the Chinese Embassy in the Philippines beginning from 24 September 2020 and strict quarantine measures are strongly recommended to ensure the safety of the aforesaid Seafarers after their nucleic acid tests and significant drop of numbers of positive cases of Filipino Seafarers arriving in ports of China.

Enclosed herewith please find the list of institutions designated by the Embassy. Any update of the list will be informed at the Embassy website: <http://ph.china-embassy.org/chn/lsfw/t1802803.htm>

The Embassy of the People's Republic of China avails itself of this opportunity to renew to the Department of Foreign Affairs of the Republic of the Philippines the assurances of its highest consideration.
