Manila, 28 March 2022

REPUBLIC OF THE PHILIPPINES  
**INTER-AGENCY TASK FORCE**  
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES

**RESOLUTION NO. 165**

Series of 2022

March 24, 2022

**WHEREAS**, Section 15 Article II of the 1987 Constitution states that the State shall protect and promote the right to health of the people and instill health consciousness among them;

**WHEREAS**, Section 2(c) of Executive Order No. 168 (s.2014) mandates the Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF) to prevent and/or minimize the local spread of emerging infectious diseases (EID) in the country through the establishment or reinforcement of a system in screening possible patients infected with EID, contact tracing, identification of the mode of exposure to the virus, and implementation of effective quarantine and proper isolation procedures;

**WHEREAS**, on September 10, 2021, the President issued Proclamation No. 1218 (s.2021) further extending the period of the State of Calamity throughout the Philippines until September 12, 2022, unless earlier lifted or extended as circumstances may warrant;

**WHEREAS**, the Department of Health (DOH), the University of the Philippines-Philippine Genome Center (UP-PGC), and the University of the Philippines-National Institutes of Health (UP-NIH) biosurveillance have detected B.1.1.7 (Alpha), B.1.351 (Beta), P.1 (Gamma), B.1.617 (Delta), and B.1.1.529 (Omicron) variants of SARS-CoV-2 in the Philippines.

**NOW, THEREFORE, BE IT RESOLVED**, as it is hereby resolved, that the IATF approves the following:

- A. Upon the recommendations of the National Task Force Against COVID-19 National Vaccination Operations Center, IATF Resolution No. 163 (s.2022), as amended by IATF Resolution No. 164 (s.2022), providing for, among others, the criteria for the deescalation of provinces, highly urbanized cities, and independent component cities to Alert Level 1 shall be further amended, as follows:
  - b. *Provinces, highly urbanized cities, independent component cities, component cities, and municipalities shall be deescalated to Alert Level 1 upon meeting all of the following criteria:*
    1. *Low to minimal risk case classification;*

**REPUBLIC OF THE PHILIPPINES**  
**INTER-AGENCY TASK FORCE**  
**FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES**

2. *Total bed utilization rate of less than fifty percent (<50%). For component cities and municipalities, low risk total bed utilization rate of their province and/or region;*
3. *Full vaccination of seventy percent (70%) of its target population (denominator is (80%) of its total population); and*
4. *Full vaccination of seventy percent (70%) of its Priority Group A2 (Senior Citizens) target population (denominator is 85% of A2 population).*

These metrics shall be applied for the determination of the alert level classification beginning 01 April 2022. Further, the sub-Technical Working Group on Data Analytics may recommend the reclassification of Local Government Units upon appeal of their respective Alert Level Classification at anytime upon the determination that such province, highly urbanized city, independent component city, component city, and municipality has met the prescribed metrics for escalation or de-escalation.

B. Upon the recommendations of the Technical Working Group, fully vaccinated foreign nationals shall be allowed entry into the Philippines, as follows:

1. Beginning 0001H, 01 April 2022, foreign nationals may enter the Philippines without need of an Entry Exemption Document (EED); provided they comply with the applicable visa requirements and immigration entry and departure formalities; provided further that they:
  - a. Are fully vaccinated, as defined in Section 2 below, except only for minor children below twelve (12) years of age traveling with their fully-vaccinated foreign parent/s;
