2. Issue Certificate of Public Convenience, or any extensions or amendments thereto, authorizing the operation of all kinds, classes and types of vessels in domestic shipping: provided, that no such certificate shall be valid for a period or more than twenty-five (25) years;
3. Modify, suspend or revoke at any time, upon notice and hearing, any certificate, license or accreditation it may have issued to any domestic ship operator;

4. Establish and prescribe routes, zones or areas of operations of domestic ship operators;
5. Require any domestic ship operator to provide shipping services to any coastal area, island or region in the country where such services are necessary for the development of the area, to meet emergency sealift requirements, or when the public interest so requires;
6. Set safety standards for vessels in accordance with applicable conventions and regulations;
7. Require all domestic ship operators to comply with operational and safety standards for vessels set by applicable conventions and regulations, maintain its vessels in safe and serviceable condition, meet the standards of safety of life at sea and safe manning requirements, and furnish safe, adequate, reliable and proper service at all times;
8. Inspect all vessels to ensure and enforce compliance with safety standards and other regulations;
9. Ensure that all domestic ship operators shall have the financial capacity to provide and sustain safe, reliable, efficient and economic passenger or cargo service, or both;
10. Determine the impact which any new service shall have to the locality it will serve;
11. Adopt and enforce such rules and regulations which will ensure compliance by every domestic ship operator with required safety standards and other rules and regulations on vessel safety;
12. Adopt such rules and regulations which will ensure the reasonable stability of passengers and freight rates and, if necessary , to intervene in order to protect public interest;
13. Hear and adjudicate any complaint made in writing involving any violation of this law or the rules and regulations of the authority;
14. Impose such fines and penalties on, including the revocation of licenses of, any domestic ship operator who shall fail to maintain its vessels in safe and serviceable condition, or who shall violate or fail to comply with safety regulations;
15. Investigate any complaint made in writing against any domestic ship operator, or any shipper, or any group of shippers regarding any matter involving violations of the provisions of this act;

16. Upon notice and hearing, impose such fines, suspend or revoke certificates of public convenience or other license issued, or otherwise penalize any ship operator, shipper or group of shippers found violating the provisions of this act; and
17. Determine the impact which any new service shall have to the locality it will serve.

BY VIRTUE OF REPUBLIC ACT NO. 9483 (2007)

An Oil Pollution Management Fund has been established to be administered by MARINA. Furthermore, under this law, the system of compulsory oil pollution insurance and certification has been delegated to MARINA.

BY VIRTUE OF EXECUTIVE ORDER NO. 75 (2012)

Designating the Department of Transportation and Communications (DOTC), through the Maritime Industry Authority (MARINA), as the single administration in the Philippines responsible for oversight in the implementation of the 1978 International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, as amended.

BY VIRTUE OF REPUBLIC ACT NO. 10635 (2015)

“An Act establishing the Maritime Industry Authority (MARINA) as the single maritime administration responsible for the implementation and enforcement of the 1978 International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, as amended, and international agreements or covenants related thereto.

BY VIRTUE OF EXECUTIVE ORDER NO. 83 (2018)

Strengthened the authority of MARINA as the single maritime administration for the purpose of implementing the STCW Convention through a majority membership in the Technical Panel On Maritime Education (TPME) and lead role in the evaluation and monitoring of Bachelor of Science in Marine Transportation and Marine Engineering and other higher education programs with Commission on Higher Education (CHED), as well as the establishment of medical standards for issuance of certificates to and relevant control procedures governing Filipino seafarers with the Department of Health (DOH) and the Philippine Coast Guard (PCG).

VISION

A Globally Competitive Philippine Maritime Industry

MISSION

To Lead a Progressive Maritime Administration for Safer People, Safer Ships, and Cleaner Marine Environment

CORE VALUES

Dedicated Service Anchored on:

- Professionalism
- Integrity

Nurture and cultivate within the Agency a value-laden public-service and resolve to overcome or strongly resist any activity that will compromise our Oath as government personnel.

Always treat the clients with utmost courtesy and respect by providing continuous service during official working hours including lunch break and ensure that they are appropriately attended to.

PROCESS OVERVIEW

1. PRE-EVALUATION

Determination of the completeness and authenticity of the documentary requirements submitted by the clients.

2. RECEIVING OF APPLICATIONS

Only applications with complete documentary requirements and corresponding fees are duly paid will be received and officially logged as filed-application. All applications or requests with incomplete documentary requirements could not proceed to the next step of the process.

3. FINAL EVALUATION

Determination of the sufficiency of documents presented by the client. In this stage, deficiencies may be noted whereby the client will be required to provide proofs or evidence to substantiate its claims. For transactions which require the conduct of **Inspection, Survey or Audit** (for both Company and Ships), **the client shall determine the timeline of submission of corrective actions or compliance.**

4. PROCESSING TIME

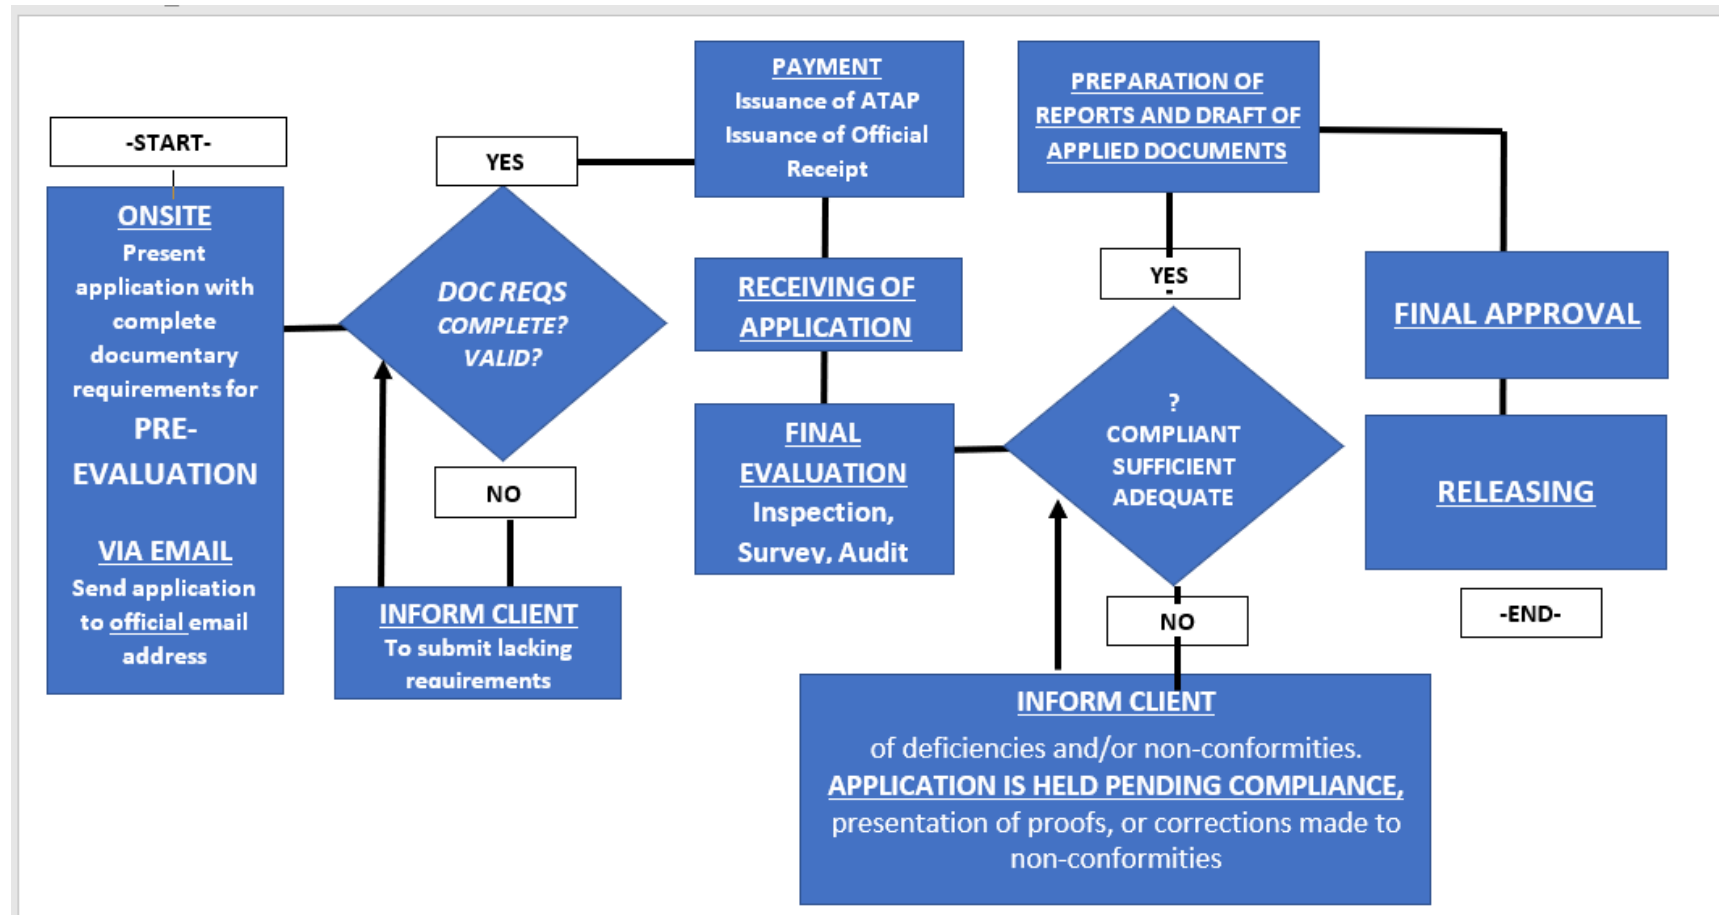

The total processing time presented for each service applies to the SINGLE TRANSACTION application and which has passed the final evaluation stage. It EXCLUDES the estimated time for the conduct of Ship *Inspection or Survey, Company or Ship Audit*, i.e., actions which are attributable to the following variables:

- size of ships, travel time & circumstances to get to the location where the ship is berthed, anchored, or docked.
- acceptability of safety on-board appliances, equipment or machineries presented during the conduct of the Inspection and/or proofs of compliance submitted/presented by the Applicant.
- the testing or handling demonstration of specific equipment by the ship's crew, among others
- preparedness on the part of the client with respect to compliance of noted deficiencies or non-conformities.

5. RETURN OF APPLICATION

Applications shall be returned to the client when deficiencies / non-conformities noted during inspection, survey or audit are not complied within the given period.

II. DOMESTIC SHIP OPERATION AND DEPLOYMENT SERVICES

A. SHIP’S SAFETY CERTIFICATION, LICENSING, PERMITS AND DOCUMENTATION

A.1.1 ISSUANCE OF STABILITY CERTIFICATE AND APPROVAL OF INTACT STABILITY BOOKLET

MC 2007-05. Shall apply to Philippine-registered ships operating in domestic trade, except those ships that rely on outriggers for their stability, and passenger ships carrying 12 passengers and below; Philippine-registered oceangoing ships are only covered under Sec. V.4. hereof. The purpose of this rules and regulation is to foster the safe operation of Philippine- registered ships covered, by requiring compliance with the herein prescribed stability requirement, standards and criteria, thereby minimizing the risk to such ships, their personnel on board and to the marine environment. It also serves the purpose of supplementing the implementation of the Code on Intact Stability, and its amendments, to Philippine-registered ships.

I. INTERNAL SERVICES

I.1. Internal Quality Audit

To determine the effectiveness of the Quality Standard System (QSS)¹ and ensure its continuous improvement, an Internal Quality Audit (IQA)² is conducted at least once a year to all Divisions/Boards of the STCW Office (STCWO) and Regional Offices of MARINA which perform STCW Office functions³.

STCW Office functions delegated to the MROs are as follows:

1. Accreditation – Processing and Issuance of Provisional Authority and/or Certificate of Accreditation to Instructors / Assessors / Supervisors applicants and Receiving of application for accreditation of training programs.
2. Examination – Conduct of final evaluation of the submitted online appointment applications for Theoretical Examination and Practical Assessment (Marine Deck and Engine Officers and GOC); Schedule and issuance of examination permits; Provision of assistance in the conduct of examinations and Issuance of Certificate of Passing.
3. Certification – Conduct of final evaluation for the processing, issuance and revalidation of Certificate of Proficiency (COP) to seafarers under Regulations VI⁴ of the STCW Convention, as amended and processing and issuance of MARINA license (Professional ID)

IQA is also conducted by STCWO to Commission on Higher Education (CHED) and the Department of Health (DOH) as part of verifying and validating their compliance with the provisions of the STCW Convention on maritime education and issuance of medical certificates pursuant to the Implementing Rules and Regulation of Republic Act No. 106355.

IQA covers three activities: A. Preparation of Audit Program and Audit Plan; B. Pre-Audit Meeting; and C. Conduct of Audit Activities.
