**SUPPLY, DELIVERY, AND INSTALLATION OF TWENTY (20) WALL-MOUNTED
(SPLIT-TYPE) AND FOUR (4) CASSETTE-TYPE (CEILING-MOUNTED)
AIR-CONDITIONING UNITS FOR THE MARINA CENTRAL OFFICE BUILDING**

SUPPLEMENTAL/BID BULLETIN NO. 01

This Supplemental/Bid Bulletin is issued to inform all prospective bidders of the revisions, modifications, and/or amendments made to the specifications/deliverables in the Request for Quotation (RFQ) for the above-mentioned project.

The MARINA Bids and Awards Committee (BAC) hereby incorporates the following specifications:

1. Each Air-conditioning Units circuit breaker shall be mounted and must be compatible with the terminal in the electrical panel board of the ACUs existing service line.
2. All equipment/components including but not limited to the drain pump shall be supplied and installed by the service provider for the proper operation of the ACU without extra cost to MARINA.

These additions shall form an integral part of the RFQ and must be duly reflected in the submitted quotation of all bidders.

For the guidance and information of all concerned.

Issued this **18th** day of **May 2026**.

JOSE LOUIE B. BANUA
Chairperson
Bids and Awards Committee (BAC)
